Subject: Community Support Request – Creating a New Outdoor Learning and Wellbeing Area

Dear parents/carers,

At St Thomas More VCA we are passionate about providing our children with inspiring opportunities to learn and thrive in the natural world. We are currently planning to transform our old allotment area into a beautiful, multi-use outdoor learning and wellbeing space — complete with picnic benches and cosy reading nooks for our pupils to enjoy.

This project will enhance outdoor learning experiences across the curriculum, as well as provide a calm, safe space for social interaction, reading, and reflection. To make this vision a reality, we are reaching out to our local community — families, businesses, charities, and friends of the school — for help and support.

The work needed includes:

- Removal of existing fences, greenhouse, raised beds and pavers
- Levelling and preparing the ground
- Reseeding or laying new turf
- Supplying and installing picnic benches and reading nooks

We would be grateful for any support you can offer, whether that be:

- Practical help or volunteer time to assist with clearance and groundwork
- Donations of materials or equipment (e.g. turf, benches, timber, tools)
- Financial contributions to help fund the project
- Or even professional advice from those with landscaping or construction expertise

Mr M Ward

 @STM_Hull

Every contribution, no matter how big or small, will make a real difference to the experiences we can offer our pupils.

If you are able to support us, or would like more information about the project, please contact Mr Ward or Mrs Hutcherson at admin@stmhull.org or by calling -01482 354093.

Thank you in advance for considering our request. Together, we can create a vibrant outdoor space that will benefit our children for years to come.

With warm regards,

Mr Ward
